Full Membership

Only residents and/or property owners eighteen (18) years of age or older may be extended full membership in this association. Qualified individuals shall be extended full membership upon the submission of a written request, the verification of residence and/or property ownership in the Wiles Hill-Highland Park neighborhood, and an initiation fee of twenty dollars (\$20.00).

Full membership entitles the individual full voting privileges on all association matters, attendance and discussion privileges for themselves and members of their immediate family at all association and board meetings, eligibility to bring a guest to meetings, eligibility to be nominated and elected as an officer, the ability to serve as a committee chairperson or spokesperson for the association.

An annual membership renewal fee of twenty dollars (\$20.00) is due in January of each year.

Associate Membership

Those other than residents and property owners of the Wiles Hill-Highland Park neighborhood can be extended an associate membership in the association. Any full member may nominate such an individual at a full meeting of the association. This nomination must be approved by a majority vote of the full membership present in person or by written proxy. Once approved, the individual will be extended an associate membership upon payment of an annual fee of twenty dollars (\$20.00).

Associate membership entitles the individual to attendance and discussion privileges at all association meetings, participation in activities sponsored by the association and receipt of association newsletters and announcements. The associate member would not be extended voting privileges on association meeting nor attendance privileges at board meetings.

Terms

Should a current member no longer meet the eligibility requirements for Full Membership, their existing current membership will automatically convert to an Associate Membership. Membership is non-transferable.
